

Round of Layoffs

So he must beg to keep his job?

Abject humiliation!

Especially since he must beg you,
his sniveling inferior all these years!

I've not sniveled lo these many grimy
timeframes!

And when will you loosen the thumbscrews
on him? Just let him work?

Probably never.

You know? When I speak to someone
like you, I still remember there are
different, decent people in the world!

Where?
